

The next two pictures are taken  
from within 10 foot of  
the same spot.

One in 1962.

Two in 2019.

This original cabins foot print was constructed  
in 1941.

In picture two the water was 10 feet from the western  
property line. This puts 277 feet of  
property underwater

Picture one and two are  
of the same cabin.

Picture one taken 2019  
from the western property line.

Picture two taken 2007  
from the eastern waters edge.
