# Completed Work

---

- Road work will resume in Spring of 2025
- Plowing, sanding, and salting operations took place.

First off, I want to thank our Clerk-Treasurer Paula Engstrom for all your organization, open communication line and tremendous efforts with Windemere Township, I greatly appreciate it.

I'm pleased your monthly reviews, and our outside audit report found no exceptions with our contracting work in 2024. Although it is widely misunderstood, and in some cases intentionally misrepresented, we follow Township policies guided by Minnesota Contracting law. Also, I regret the recent accusations that multiple calls have been blocked or refused. These callers were only blocked on the Road Managers personal phone. The Township roads phone is as wide open and always on.

Thank you for your support.

# Work in Process/Scheduled

- Township road sign and post replacement is scheduled for the Spring of 2025.

**Thank you to our professional contractors. Their hard work and cooperation is greatly appreciated!**

A photograph of a sunset over a body of water. The sky is filled with dramatic, dark clouds tinged with orange and red from the setting sun. The water reflects the vibrant colors of the sky. In the foreground, there is a snowy shoreline with some dry, brown grasses and reeds. The overall mood is peaceful and serene.

It's nice to be important, but it's more important to be nice.
